# 32K151

## Principal Jayne M. Hunt

Educate, Excel & Empower

### D32's Key Terms and Concepts

-  Goals: Desired Changes
-  Objectives: Steps to Achieve Goals
-  DRI: Directly Responsible Individual

## PS 151K Science & Humanities “Educate, Excel, Empower”

### Vision

The Lyndon Baines Johnson School, PS151K, is a partnership of students, parents, educators, staff and community. We are committed to create, to teach, to encourage, and to challenge all students to fulfill their potential and to apply their knowledge and skills to become contributing, responsible citizens of a rapidly changing, diverse, global society.

### Mission

Our Mission is to create and sustain an inclusive environment where students are empowered by using flexible ways of representation, engagement, and expression; increased student voice; strengthen students’ collaborative and critical thinking skills; and enhance students’ social-emotional development and well-being.

### Instructional Focus

All students will effectively use text-based evidence to support claims, assertions, opinions, and arguments in reading, writing, and discussion, across all content areas, in all classes assessed by student created projects, presentations and performances.

## Our Engines

### **Educate:**

Provide social, cultural and intellectual instruction and professional learning to increase student-led discussions.

### **Excel:**

Encourage, establish and maintain an environment where students are driven to become proficient and strive to perfect critical thinking skills in all areas of study and promote discourse.

### **Empower:**

Instill the confidence to communicate, create, advocate, collaborate and the ability to make decisions.

**Goal: To continue to strengthen student-led discourse in all content areas.**
